Argus NPK, Water Soluble and Micronutrient Fertilizers India 2018

8 - 9 March | New Delhi, India

 www.argusmedia.com/NPK-India

Understand the competitive landscape and identify the growth opportunities

Mark your calendars. We are glad to announce some major, exciting new changes for the 2018 conference programme. In response to feedback from delegates and speakers, we are delighted to introduce an expanded programme covering micronutrient fertilizers alongside NPKs and water soluble fertilizers (WSFs).

Seminar Fees (Before 18 January)

Indian

FAI Members : US\$ 450

Non Members : US\$ 500

Foreign

Registration Fee : US\$ 1800
