Subject : Implementation of revised policy for Single Super Phosphate (SSP) Fertilizer applicable with effect from 1.10.2009

.....

Madam/Sir,

I am directed to refer to this Department's letter dated 13.8.2009 regarding revised policy for Single Super Phosphate (SSP) Fertilizer applicable with effect from 1.10.2009.

2. The above said scheme, inter alia, provides that ad hoc concession for SSP w.e.f 1<sup>ST</sup> October 2009 would be provided to those eligible SSP units only, which have either annual capacity utilization of at least 50% or annual production of 40,000 MT of SSP, which ever is lower. For the purpose of recognizing capacity utilization/ production, capacity as on 31<sup>st</sup> March 2009 would be taken into account. The capacity utilization/ production of the unit for three months from the date of the notification dated 13.8.2009 on pro-rata basis would be taken into account for benchmark for ad hoc subsidy for sales of SSP w.e.f 1<sup>st</sup> October 2009. Further, effective date for reckoning the production benchmark could be considered by Department of Fertilizers as per the request from SSP units on case-to-case basis.
3. The above matter has been examined in the Department and it has been decided that while claiming 'On Account' payment of concession month wise, the authorized signatory as well as the Statutory Auditor of the company may certify in Proforma 'A' and 'C' certifying that the unit has fulfilled all the conditions of the policy dated 13.8.2009 (as amended) including that of achievement of the production targets as per the policy. PDIL shall monitor the production of the units in its six monthly reports.
4. This issues with the approval of the competent authority.

Yours faithfully,
