

FAI Programme
on
Recent Developments and Challenges in Fertilizer Sector

8th – 11th May, 2019
Fortune Park (Hotel), Haridwar
Plot No. 296/2 NH-58 Bahadrad,
Haridwar - 249402, Uttarakhand

The Fertiliser Association of India
FAI House, 10 Shaheed Jit Singh Marg, New Delhi – 110 067

Dear Friends,

Fertilizer industry in India has come a long way enriched with variety of experiences over the years. Reform has been initiated in the sector but still a lot has to be done to bring real transformation in nutrient management. Government of India has taken various policy initiatives for fertilizer and agriculture sectors in the recent past. These *inter-alia* include New urea policy 2015, pooling of gas prices for subsidy computation, policy on neem coated urea, promotion of city compost, distribution of soil health card, coastal movement of fertilizers, direct income support to small and marginal farmers, etc. Implementation of GST and direct benefit transfer of fertilizer subsidy to farmers are other two major policies being implemented by the government. There are issues and challenges needed to be addressed in implementation of various policies. Simultaneously, there is need for devising strategies to optimise domestic production, imports at reasonable prices, logistic management, marketing and customer management, promotion of new products, balanced use of plant nutrients, etc. To meet these challenges, there is need for up-gradation of knowledge and managerial skills of the professionals in the fertilizer industry.

With this background, FAI will organise a programme on ‘Recent Developments and Challenges in Fertilizer Sector’ in the hotel Fortune Park – a Member ITC’s Hotel Group, Haridwar (Uttarakhand) during 8th to 11th May, 2019 for the professionals under various disciplines, including, technical, marketing, finance, production, promotion, logistics, agricultural services, HR, etc.

We request you to send the nominations from your organization at the earliest to take advantage from this programme. The preliminary programme, nomination form and other details are given herewith.

We look forward to your early reply and favourable response.

Satish Chander
Director General

PROGRAMME OUTLINE

TOPICS TO BE COVERED

The following topics are intended to be covered in the programme:

1. Recent developments in fertilizer policies – Issues and challenges
2. Weather and climate services for Indian agriculture
3. Indian and world demand supply of fertilizers – Current scenario and future outlook
4. Efficiency improvement in fertilizer production
5. Port handling and coastal movement of fertilizers and raw materials
6. Logistic management in fertilizer sector
7. Direct benefit transfer of fertilizer subsidy to farmers – Challenges and prospects.
8. Usage of mobile app for efficient fertilizer marketing
9. Importance of specialty fertilizers for balanced fertilisation
10. CSR activities of fertilizer industry
11. Developments in farm mechanisation
12. Enhancement of farmers' income

TARGET AUDIENCE

The programme has been designed for professionals under various disciplines including technical, marketing, finance, production, promotion, logistics, agricultural services, HR, IT, etc. The programme aims at upgrading the knowledge and skills of professionals in the Fertilizer Industry and other organisations associated with the agriculture sector.

FACULTY

Senior officials from the Fertilizer Industry, India Meteorological Department, Greaves Cotton Ltd, NIC, Indian Council for Research on International Economic Relations and the FAI are expected to act as Faculty members in the programme.

DURATION, DATE & VENUE

The duration of the programme is four days. The dates are 8th to 11th May, 2019. The venue of the programme is **Hotel Fortune Park – a Member ITC's Hotel Group, Haridwar, (Uttarakhand)**.

The Fortune Park, Haridwar is strategically located on the National Highway 58 (NH-58) and is just 5 km from SIDCUL, the industrial hub and 12 km from Har ki Pauri. The hotel is well equipped with modern amenities and offers efficient service at a great value to the discerning traveller. Haridwar is a land of religious pilgrims where they take a holy dip into the river Ganges. The river enters the northern area of the plains after flowing for 250 kms from Gangotri glacier. Haridwar is a favoured destination by not just domestic but international travellers as well. The diverse complexity of the Hindu culture, rituals and the ancient civilization are the reasons that attract the travellers to Haridwar from all around the globe. Admire the lush green forests and

crystal-clear water of river Ganges and background of mountains that create the charming beauty of this holy city. The adventurous traveller can opt for activities like trekking, bird-watching and rafting or visit the Rajaji National Park, which has a large population of wild elephants and the lucky ones might even spot a tiger!

Haridwar is well connected to Rail and Road. The nearest airport is Dehra Dun. The distance of hotel from nearest Airport (Dehra Dun) is 45 km, Haridwar Railway Station - 7 km, Ramdev Patanjali Peeth-6 km, Crystal Water World-9 km and Rishikesh-40 km.

The detailed address of the venue is given below:
