2nd June 2021

Subject: FAI Webinar on Digitalization in Fertilizer Industry, 6th July 2021

Dear Sir,

Fertilizer plants employ complex process technologies and are highly automated. A precise measurement and control of various process parameters helps in operation to optimize production and energy consumption. It also avoids temperature, pressure and chemical environment shocks to equipment, thus increasing their useful life. Digitalization tools such as artificial intelligence and machine learning help in integration of plant real time and historical data to provide guidance that helps in reduction in downtime, enhancement of safety and reliability, and reduction in overall material and energy consumption. There are developments in the area of Industrial Internet of Things (IIoT) which will have wider application in chemical process industries. It is essential that process control & instrumentation and its integration with advanced digital technologies should remain a focus area of plant management to achieve high level of operational reliability and efficiency.

It is in this context, FAI has planned a one-day Webinar on “Digitalization in Fertilizer Industry” on **6th July 2021**. The Webinar will include presentations from vendors, experts from Industry and case studies from fertilizer plants. The registration fee for the Webinar is Rs. 2500/- (Rupees two thousand five hundred only) plus GST per participant. You may like to avail this opportunity by sending nominations of your engineers in the attached registration form to Dr. S. Nand, Deputy Director General, tech@faidelhi.org on or before 30th June 2021. The link to share the Webinar will be provided to the registered participants nearer the programme.

Thanking you,

Yours faithfully,

Satish Chander
Director General
The Fertiliser Association of India

Registration Form
FAI Webinar on “Digitalization in Fertilizer Industry”
Date: 6th July 2021

Please register the following executive(s):

Sl. no.	Name	Designation	Email	Mobile
1				
2				
3				

(Add rows for more participants)

Name of the Organization:

Address:

.....

Registration fee for the above delegate(s) @ Rs. 2500/- (Rupees Two Thousand Five Hundred Only) plus 18% GST per participant (member company).

Payment should be made through NEFT / RGTS. Following are the details of FAI Account.

Name : The Fertiliser Association of India
Bank Name : Canara Bank
Branch Name : Jit Singh Marg, New Delhi- 110067
Bank Account No. : 1484101006029
IFSC Code : CNRB0001484
