Argus NPK, Water Soluble and Micronutrient Fertilizers India 2018

Transforming India's agriculture with complete fertilizer solutions

8 - 9 March | ITC Maurya, New Delhi

www.argusmedia.com/NPK-India

Resolving south Asia's obstacles to effective fertilizer use

Poor nutrient management, weaknesses in fertilizer legislation and limited marketing and distribution systems are major obstacles to achieving efficient and effective fertilizer use in south Asia. By initiating an industry-wide dialogue involving leading thought leaders from the region, this timely conference seeks to resolve these many challenges and in doing so unlock the numerous growth opportunities for domestic and international fertilizer companies.

Confirmed speakers include:

Satish Chander
Director-General
The Fertiliser Association of India

Priyantha Weerasinghe
