

Visit to Coromandel Plant and Centre of Excellence

DG, FAI and MD, KFL visited the plant and Centre of Excellence of Coromandel International Limited, Visakhapatnam on 14 October 2025. During the visit, Mr. Gnanasundaram M and his team explained about the various processes involved in manufacturing of different grades of NP/NPK complexes; transfer of raw materials/intermediate from port to plants; capacity and production; safety measures being adopted at the plant; facilities at the Centre of Excellence and services being provided to the farmers.

DG, also transplanted saplings of Mahogany (*Swietenia macrophylla*) at the premises of the unit.
