

## Visit of DG, FAI to Coromandel Nano Technology Centre

Dr. Suresh Kumar Chaudhari, Director General, The Fertiliser Association of India, visited Coromandel Nano Technology Centre at Coimbatore. He was accompanied by Mr. Y.V.N. Murthy, Regional Head, FAI-SR, Chennai. Dr. K.S. Subramanian, Head of the Coromandel Technology Centre explained advanced testing facilities of Nano urea, Nano DAP, Nano Zinc, Nano Copper and Nano Silica available at the centre and meticulous testings being carried out for the products. DG, FAI provided valuable suggestion to make the testing procedures more effective.
