**Subject: FAI-SPGE Conference on Global Fertiliser Market Update**

**Dear Sir,**

The ongoing crisis in West Asia have significantly disrupted global trade routes, particularly through the Strait of Hormuz and the Red Sea. These routes are vital for the movement of natural gas, ammonia, sulphur, phosphoric acid, sulphuric acid, rock phosphate, finished fertiliser products, etc. The instability has resulted in freight bottlenecks, rising input costs, and curtailed exports, thereby affecting fertiliser supply chains. Regional policies are further influencing demand–supply dynamics and the cost of inputs and fertilisers.

In this prevailing situation, it is imperative for stakeholders to adopt resilient procurement strategies, diversify supply chains, and actively engage in policy dialogues to safeguard agricultural productivity and ensure farmer access to essential inputs. To assess the **Global Market Outlook** and brainstorm strategies, the **Fertiliser Association of India (FAI)**, in collaboration with **S&P Global Energy (SPGE)**, is organizing a **Half-Day Conference on Global Fertiliser Market Update** on **25 June 2026 (Thursday)** at **Hotel Pride Plaza, Aerocity, New Delhi**, from **9:00 a.m. to 2:00 p.m.**

The conference will feature presentations by seasoned senior experts from the S&P Global Energy team. The program is focused for **Senior Management Executives** engaged in procurement, projects, commercial decision-making, strategic planning, etc. in the fertiliser industry. A copy of the Tentative Program is attached.

To defray cost, a nominal participation fee of **Rs. 7,500/- (Rupees Seven Thousand Five Hundred only) plus GST** per participant from **member companies** and **Rs. 10,000/- (Rupees Ten Thousand only) plus GST** from **non-member companies** will be charged. The fee will cover the conference tea/coffee and lunch. The payment transfer modes are given in the nomination form. You are requested to kindly send your nominations by **18 June 2026 to tech@faidelhi.org**.

Thanking you,

Yours faithfully,

(Suresh Kumar Chaudhari)
